## DepoNet: The Trusted Network of Legal Professionals

Count on DepoNet when you need a reliable, out-of-town connection to quality assured legal support services. For over 10 years, more legal professionals have turned to DepoNet to connect to quality court reporting, process service, legal video, videoconferencing, litigation support and interpreting/translating firms than any other network of its kind.

DepoNet members are hand picked from the best providers in every city across the country. DepoNet's Quality Assurance program constantly monitors member performance to maintain the highest level of client satisfaction in the industry.

**We Connect Professionals**

## Fast, Convenient Access to Comprehensive Support

DepoNet makes it quick and easy to locate the service providers you need — anywhere you need them. One simple phone call, or one click of the mouse, and you're connected to them with DepoNet.

### ◆ Schedule Services — Anywhere

Whenever and wherever you need service — in every zip code across the U.S. — DepoNet is there to make your job easier. Multiple legal support needs or multiple locations are no problem with DepoNet.

### ◆ Fast, Free and Easy Access

Using DepoNet is fast, free and easy. Just dial **1-800-DepoNet** and our highly trained customer service staff will help connect you to the legal support professionals you need. You can also access DepoNet on the Internet. Just visit [www.deponet.com](http://www.deponet.com).

### ◆ The Name You Can Count On

When you see the DepoNet name, you know you're working with the best quality legal support service providers with a reputation for excellence. DepoNet is the trusted choice that keeps clients coming back week after week.

### ◆ Quality You Can Trust

Trust DepoNet for proven quality across all our service areas. All DepoNet members are thoroughly screened for their reliability and service capability.
